

Journal of Middle Eastern Reaserch

(JMER)

SORAN UNIVERSITY
Kurdistan Center for Middle Eastern Research

Journal of Middle Eastern Research (JMER)

Published under the auspices of The Kurdistan Center for Middle Eastern Research (Soran University), and The International Institute for Study of Kurdish Societies (IISKS)

The Journal of Middle Eastern Research (JMER) PRINT-ISSN 2509-9221, is a peer-reviewed interdisciplinary journal that will be published jointly by the Kurdistan Center for Middle Eastern Research (KCMER) at Soran University and the International Institute for the Study of Kurdish Societies (IISKS), Goettingen-Germany. JMER attempts to fill a gap between the academic studies on middle eastern societies and the Kurdish studies affiliated journals. The journal aims to publish articles, review articles and book reviews on Kurdistan and its surrounding countries from a wider range of disciplinary fields including, but not limited to History, Politics, Political Thought, International Relations, Political Economy, Sociology, Anthropology, Cultural Studies, Kurdish Studies, Social Movements, Media and Communication, Gender Studies.

The journal will be published in both print and online versions.

Journal Editorial Policy

Policy on Data Availability

It is the policy of the Journal of Middle Eastern Research (JMER) to publish papers only if the data used in the analysis are clearly and precisely documented and are readily available to any researcher for purposes of replication. Details of the computations sufficient to permit replication must be provided. The Editor should be notified at the time of submission if the data used in a paper are proprietary, or if, for some other reason, the above requirements cannot be met.

Policy on Disclosure

Authors of articles appearing the journal editorial policy are expected to disclose any potential conflicts of interest that may arise from their consulting activities, financial interests, or other non-academic activities.

Submission Policy

Articles appearing in the journal are normally solicited by the editors and associate editors. Proposals for topics and authors should be directed to the journal editorial office. See Submission Guidelines for complete submission guidelines for authors.
